Managed System Setup & Funnel Build Details

We offer a comprehensive managed setup & Design solution.

- Get a 60-minute onboarding call (upgraded from 30 Mins)
- BONUS: Design a new logo for you (if needed- If not needed then we will design a new Email Header for you)
- BONUS: Design a Facebook & Twitter Header Cover as well as provide you with an Instagram version of your logo needed for that network
- Completely Design (1) Funnel (Up to 6 steps) with Upsells
- Setup your domain for your new funnel
- Setup your email system properly
- Show you how to clean email lists and then upload your past customer list for you
- Explain and help set up your inbox warming system (recommended for first 4 months)
- Setup your Calendar and notifications
- Setup your new DID Phone number
- Setup your additional users
- Setup your initial automation. We really like the Outbound call automation, Facebook Lead Form Automation, No Connect automation, and even a missed call, call back automation
- Walk you through the Phone App installation and usage
- We will also train you on all of these items so that you know how to use what we have set up for you, and we will record this training so you can always go back through it as you need it.

So Let's Talk Lead Generation

Give a person a fish and feed them for a day.
Teach them how to fish and feed them for life.

WE OFFER 30 –DAY ADS MANAGEMENT

You will received a comprehensive managed Ads Solution

For Facebook:

- We will set up your New Ads Manager and connect it to your page
- We will set up your billing profile so that you will be charged directly by the network with no markup
- We will research your industry and create ad targets and audiences
- We will create new ad creatives highlighting your benefits, features and solutions
- We will send you a few proofs at the start, so you can see what your ads will look like and edit based on your feedback
- We will continue to watch your ads, and make edits when needed based on feedback to give you the optimal amount of leads per month

For Google Ads

- We will help you create a google ads account under your Gmail account (we will create a new Gmail for you if you do not have one)
- We will get you a Google ads credit when offered
- We will research your industry and location for proper keyword targets
- We will create your first ad creatives and begin to watch your ad activity
- We will continue to watch your ads, and make edits when needed based on feedback to give you the optimal amount of leads per month
